8. Letter No. I. C. 1793—A. E. 48-25-2, dated 12th September 1925, from the Secretary to Government, Revenue Department, stating that Government Order already passed with regard to the closing of the Lal-Bagh gates cannot be modified as the said Government Order was passed after full consideration of all the facts, and that it is in conformity with the practice reported to be prevailing elsewhere.

Resolution.—It was unanimously resolved that the letter be recorded and that a summary of discussion be submitted to Government, with a view that they may reconsider their order.

SUMMARY OF DISCUSSION.

1. Mr. Belur Srinivasiengar, in opening the debate, said that he regretted very much that the Government should have, with one stroke of the pen, struck off the unanimous resolution of the Council, requesting the Government to keep open the gates of the Lal-Bagh for an hour beyond the time fixed by Government, that this was one of a series of unanimous resolutions of the Council, which the Government have so ungenerously set at naught and that the reasons stated by Government for not giving heed to this particular resolution, which was passed entirely in the interests of public convenience did not appeal to the Council.

2. Mr. C. Hayavadana Rao in supporting Mr. Belur Srinivasiengar, said that the only reason adduced by Government in support of closing the Lal-Bagh gates at 6 P.M. in certain months and at 7 P.M. during other months was that it was in conformity with the practice prevailing elsewhere, that so far as he was aware, this was not the case, that the Peoples' Park in Madras and the Government Gardens in Ootacamand are kept open all the twenty-four hours of the day and that a report of the proceedings be sent to Government for the reconsideration of their orders.

3. Mr. R. Gopalaswami Iyer spoke in support of the Government Order and said that for several reasons the Government were justified in issuing their order.

4. Mr. S. N. M. Razvi pointed out that gosha women and the labouring classes find time only after 6 in the evening to visit Lal-Bagh and that it is very necessary that the Lal-Bagh gates should be kept open at least for an hour beyond the time fixed by Government.

5. Mr. D. Venkataramiah said that it seemed to be the general opinion of the Council that the hours of keeping the Lal-Bagh open in the evening should be extended in the interests of the public and that Government might be respectfully informed that the Council do not intend to take a defiant attitude in the matter, but that the Council and the public would be thankful if the hours are extended.

19. Memo No. 477, dated 4th September 1925, from the Health Officer, explaining the necessity for the appointment of two Lady Health Visitors on Rs. 75 plus Rs. 30 each per mensem instead of one and stating that the cost would be met from the provision made therefor in the current year's budget and requesting sanction to his proposal.

Resolution.—The necessity for these appointments was discussed at great length. Messrs. C. Hayavadana Rao, S. N. Seetharama Rao, M. Ramachandra Rao Sindia and G. Siddaveerappa and others were in favour of abolishing the appointment of the Lady Health Visitor, as the experience of the last three years showed that it served no useful purpose and that increasing the number of midwives would meet a real and urgent need of the citizens.

Messrs. Belur Srinivasiengar, S. N. M. Razvi and B. L. Byanna, spoke in favour of the continuance of the appointment of a Lady Health Visitor.

The Health Officer explained the necessity for two appointments of Lady Health Visitors and said that incidentally they would supervise the work of the midwives also.

Mr. D. Venkataramiah said that there was no difference of opinion as regards increasing the number of midwives and that it may be separately considered and that as regards the present question, he proposed an amendment that instead of two Lady Health Visitors on Rs. 75 plus 30 each per mensem, only one Lady Health Visitor fully qualified be appointed on a suitable salary. This was seconded by Mr. Belur Srinivasa Iyengar. With the consent of the House, this was treated as a substantive proposition and it was put to vote and 9 voted 'For' and 9 'Against' it, the presiding authority refraining from voting.

Messrs. Belur Srinivasiengar and B. L. Byanna demanded a poll, which was granted.

The following voted 'For':—Messrs. 1. D. Venkataramiah, 2. S. Venkataranga Iyengar, 3. N. V. Kalyanpur, 4. R. Gopalaswami Iyer, 5. Rev. W. H. Thorp, 6. S. N. M. Razvi, 7. V. Venkatesaiah, 8. B. L. Byanna and 9. Belur Srinivasiengar.
